THE ULTIMATE PLAYER DEVELOPMENT PLATFORM

DIGITAL RESUME OF PLAYERS

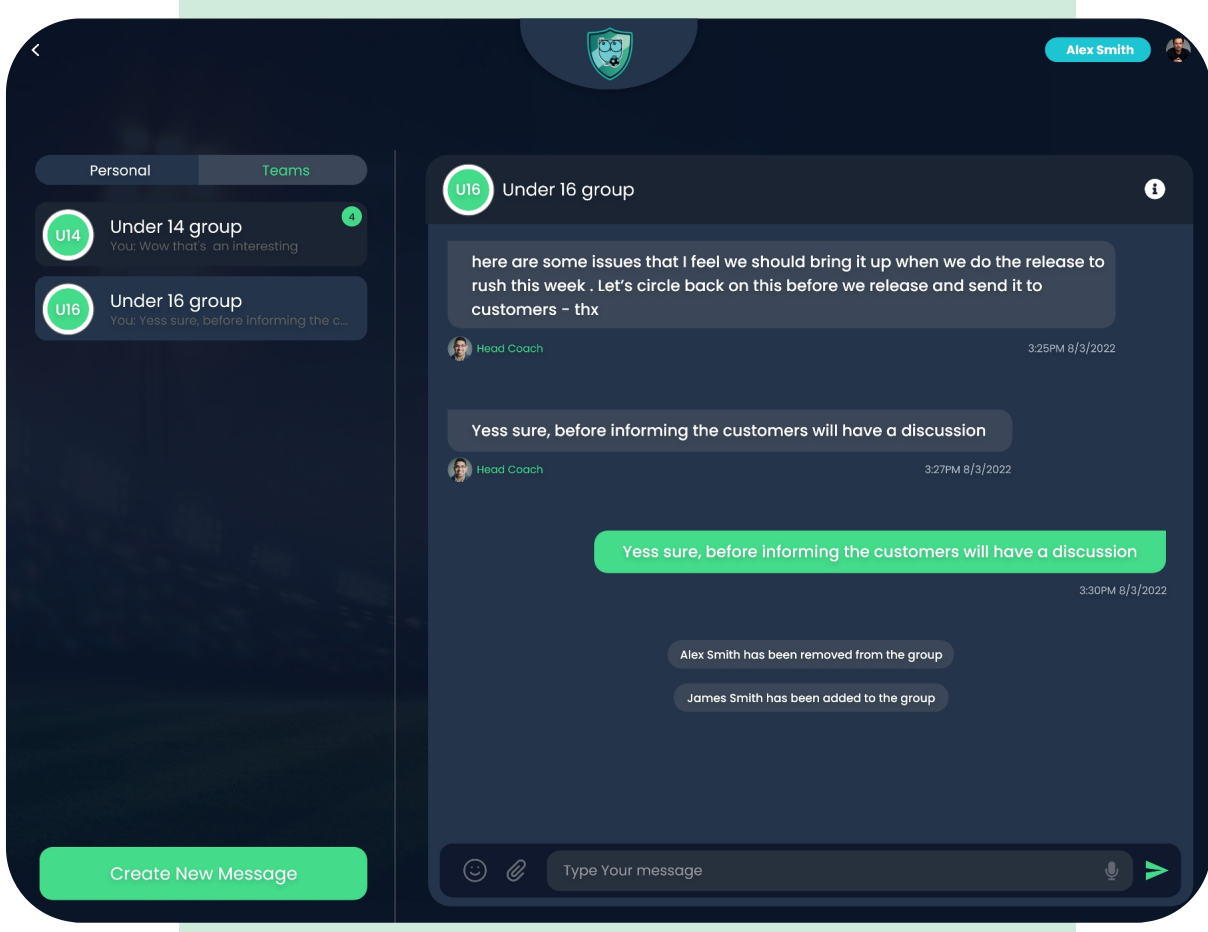

- Maintain a digital resume of your players
- Maintain player data and analytics of games played, Number of passes, etc.

MATCH DAY HUB

Replace your old white board.

- Choose from multiple formations.
- Create your starting line-up.
- Manage your substitutes.

FULLY FLEDGED MESSAGING

An all new messaging feature, allowing coaches, players and parents to seamlessly communicate. This includes private and group chats within teams.

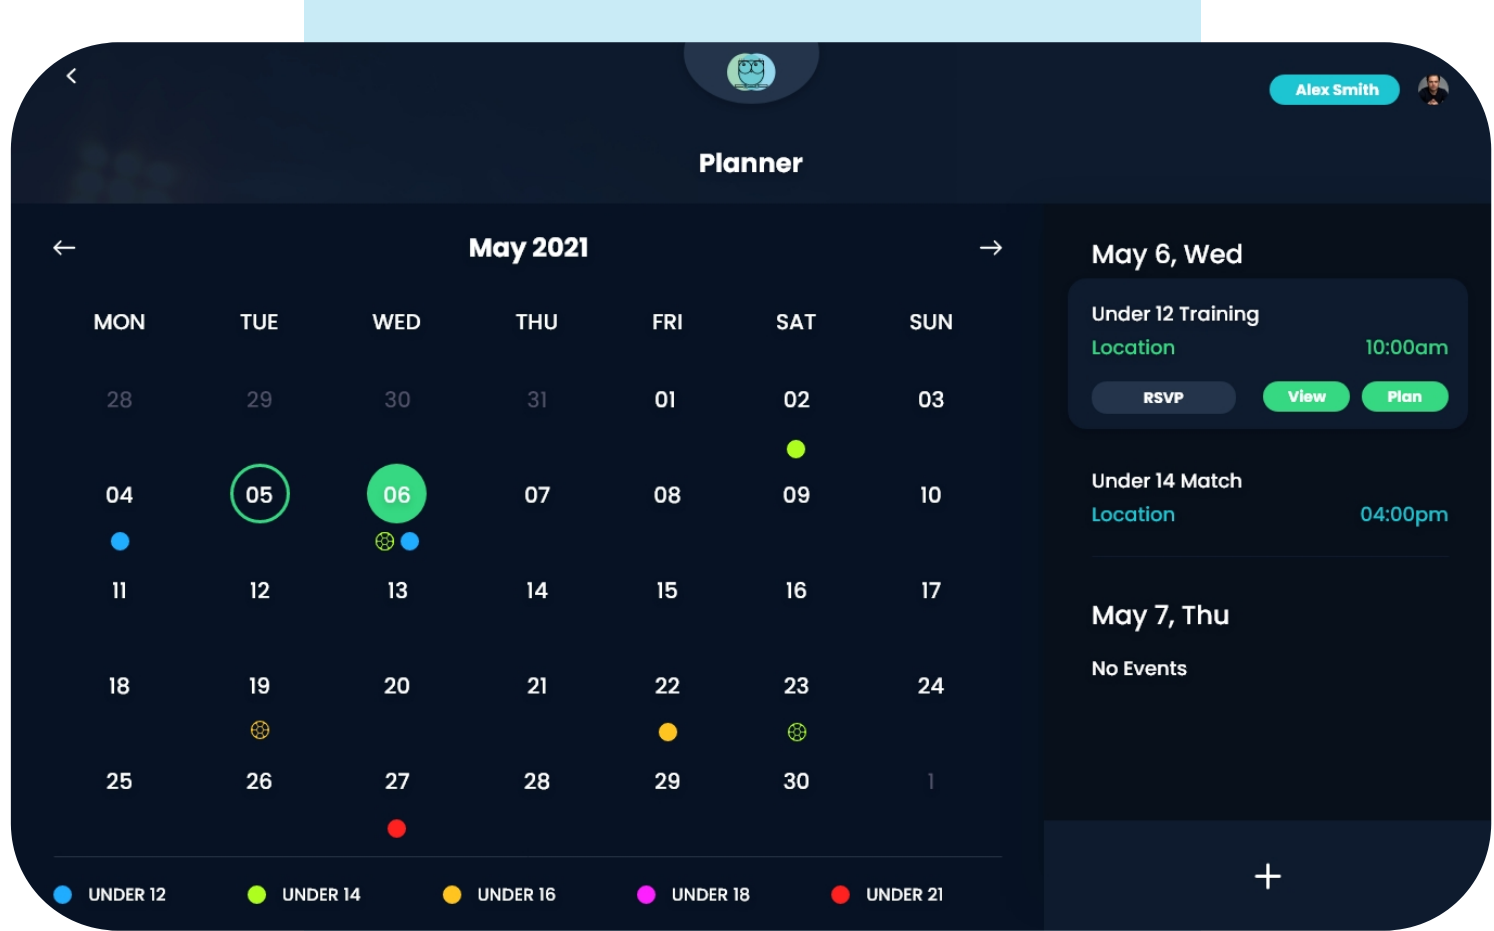

- Keep all players, parents and coaches updated 24/7
- Attach documents and images to your messages.

PAYMENT PORTAL

Use this feature to:

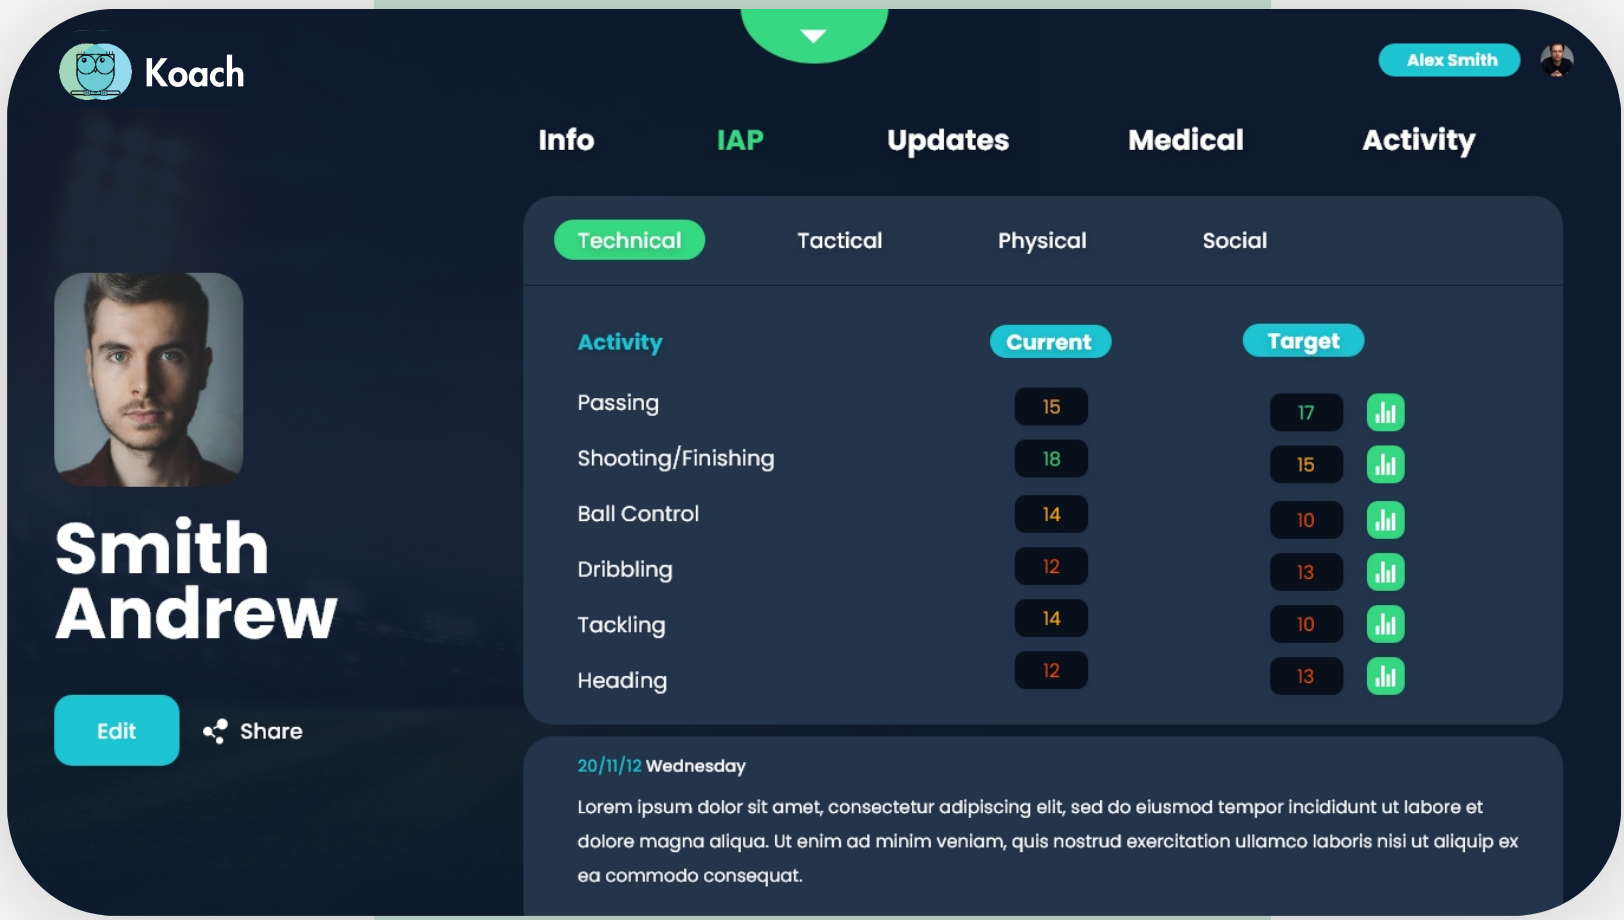

- Seamlessly collect fees through Koach Hub
- Real-time updates and reconciliation of payments
- Automatic payment reminders

PLANNER

Coaches and team managers can plan their entire season with this easy to use scheduler.

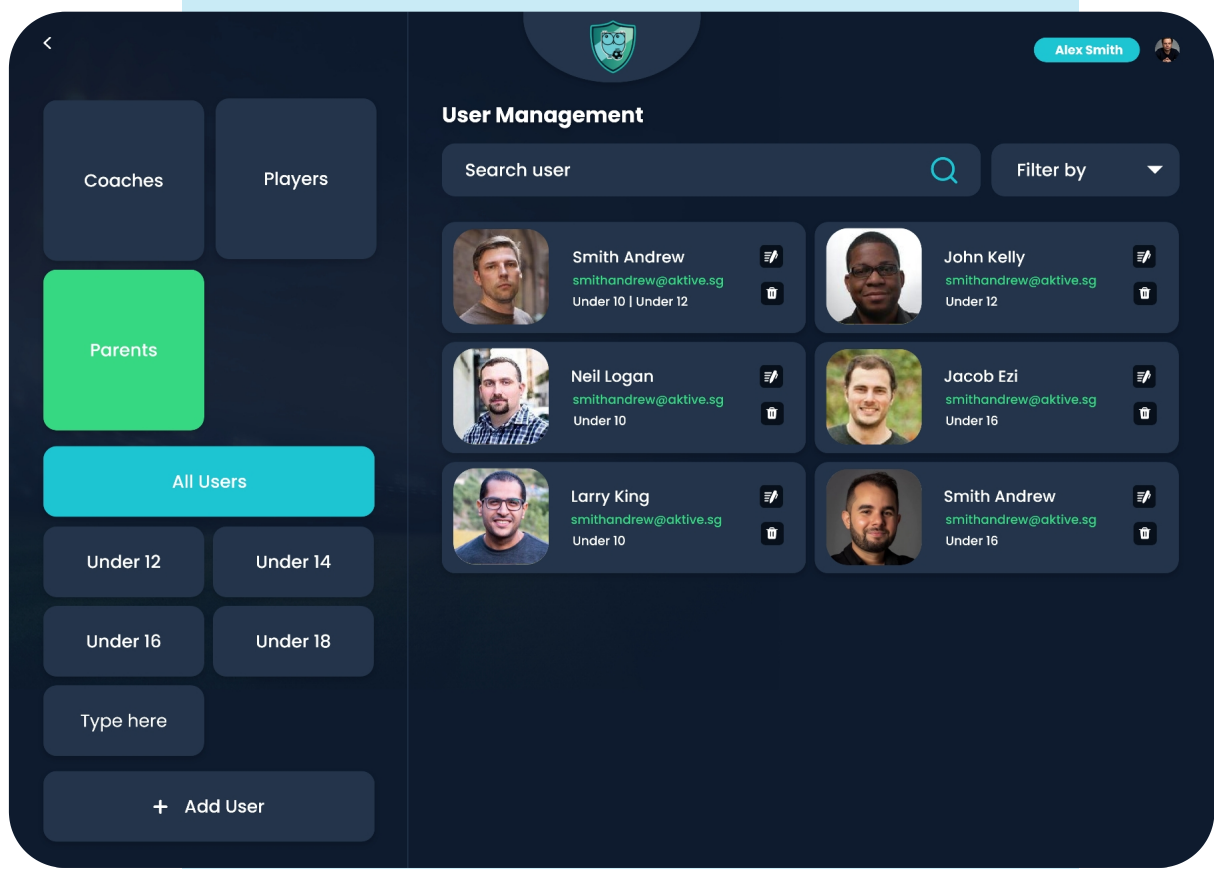

- Add and manage events.
- Players/parents receive notifications for all events.
- Players/parents can notify the coach on attendance in advance.
- Can be synced to your own Calendar.

IAP'S

Use this feature to:

- Evaluate your players.
- View and document progress.
- Leave comments and set player targets.

PARENT ACCOUNT MANAGER

Parents will have dedicated profiles to oversee and be up-to-date on their children's activities and progress.

- New parent user role which could be linked to multiple players.
- Enables parents to oversee and view their child's schedule, performance and stats!

INTEGRATION WITH 3D PARTY DATA APPS

Monitor and track your players progress by integrating with Playermaker and other third-party data tracking applications.
